

Streamline AED ownership with a **Fixed Payment Solution**

When implementing an AED program to protect the lives of **employees** and **customers** and stay compliant, choosing the AED is the easy part.

Conducting routine maintenance, meeting legal regulations, and budgeting for investment up front can be a tough task to balance. At Cardio Partners, we simplify your sudden cardiac arrest preparedness, which includes everything you need for your AED program for one low fixed payment.

Helps to Ensure Compliance

- ✓ State and Federal legislation updates
- ✓ Yearly in-person AED checks*
- ✓ Maintain CPR training records

Streamlines the Ordering Process

- ✓ Automatic replenishment of AED accessories at expiration
- ✓ Hands-on consultative approach to AED program
- ✓ Program management visibility to complete AED fleet

Provides Budget Predictability and Stability

- ✓ Stabilize safety budget with set payment plan
- ✓ Easily expand programs for additional locations

**AED yearly checks are part of the Advanced program*
